

# Whitesburg Campus Walking Trail

Veterans' Memorial Museum Parking Lot

**Walking Path**

**Tank**

Distance from Walking Path start\* to tank is 0.37 miles.

How far is it from the Administration Building to the tank at the Veterans' Museum and back?

How many trips around the Administration Building would you need to make in order to equal one round trip from the Administration Building to the tank and back?

If you walked from the Administration Building to the tank, then to far end of the bridge to WMS, and then returned to the Administration Building, how far would you have walked?

Plan your own route. You are free to walk along any of the distances named on this page, but try to plan a route that will come as close to 2 miles as possible. Now plan another route that will be as close to 5 miles as possible.

Start

\*
